Objectives:

▪ Understand current governmental standards and professional association recommendations, based in science and current knowledge, which aim to prevent COVID-19 transmission among dentists and their patients.
▪ To learn from peers who have returned to work about how they made their decisions to do so.
▪ To review what has been learned about health care provider feelings and concerns during the COVID-19 pandemic.

NYSDF
Northeast/Caribbean AETC Oral Health Resource Center is an ADA CERP Recognized Provider Approved by New York State Dental Foundation.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

NYDAH
This continuing education learning activity was approved for Registered Dental Hygienists by the New York Dental Hygienists' Association (NYDHA), an accredited approver by the New York State Department of Education.
